# SYMBOLS MULTIPACKS ô
DATA SHEET

SYMBOLS MULTIPACKS are a collection of symbols packages designed to work with VISIO or SMARTDRAW 'drag and drop' drawing packages. It contains pre-configured shapes, symbols and descriptions for CCTV, Fire & Safety, Alarm and Access Control Industries. There are two versions of Symbols Multipacks available, Advanced and Basic, there are over 1500 symbols contained in the Advanced pack and 350 in the basic pack. Many of the symbols are model specific and you can show the equipment you intend to use.

Symbols such as walls, gates and fences are also included to allow an overhead layout of the site to be drawn.

SYMBOLS MULTIPACKS are ideal for Security professionals who want to produce high quality connection and marketing diagrams.

SYMBOLS MULTIPACKS are available in English, French, German, Italian and Spanish.
